

Talking Timer Instructions

LS&S Item number 421093

This product requires 2 AAA batteries.

- Insert the batteries into the battery compartment located on the back of the timer.
- The display will show “0:00 00” if the batteries have been installed correctly
- To set the countdown timer, press “HOUR” and/or “MINUTE” button continuously until desired time is displayed and announced.
- Once the desired time has been announced, press the “ON/OFF” button to start the countdown timer
- To hear the remaining time left at any point, press the “TALKING” button once.
- Once the timer countdown is complete, the timer will beep and announce that the time is up.
- To turn the timer alarm off, press the “TALKING” button once
- The timer will announce “Timer off, the timer time is “0:00 0”
- To clear the timer while still in countdown mode, press the “ON/OFF” button once. Timer will announce “Timer Off”. Press the “HOUR” or “MINUTE” key to clear the time or the “ON/OFF” button to continue with the current countdown time
- The maximum countdown time is 23 hours and 59 minutes.
